

# Services provided to Croatian companies

Are you looking for new suppliers of products or services? Do you plan to expand on the European markets with Brussels as a business hub?

Our office provides you with the following services for free :

- We help you **find local suppliers** and service providers;
- We facilitate contacts with **potential business partners**;
- We search and check Belgian companies' contact details;
- We provide macroeconomic and commercial data;
- We provide useful information for your **business trip** to Brussels;
- We inform you about **trade fairs**.

**Invest in Brussels:** We can guide you towards the appropriate bodies and provide you with useful information relating to the legal and fiscal aspects of investing in Brussels.
